FOR WITNESSES APPEARING IN A NON-GOVERNMENTAL CAPACITY

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

Are you a fiduciary—including, but not limited to, a director, officer, advisor, or resident agent—of any organization or entity that has an interest in the subject matter of the hearing? If so, please list the name of the organization(s) or entities.

I am a General Manager (but not a director, officer, advisor, or resident agent) of Microsoft Corporation, which has an interest in the subject matter of this hearing.

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

Microsoft Corporation ("Microsoft") does business with almost every agency of the U.S. Government. To the best of my knowledge, Microsoft does not receive grants or subgrants from the federal government. Microsoft does have some direct consulting, product support, CRADA and Other Transaction Agreement contracts with the U.S. Government. However, most of Microsoft's business with the U.S. Government, in particular software licensing and online services, is conducted through reseller channels where Microsoft is a subcontractor under agency-wide agreements, the GSA Schedule, or similar contract vehicles. To the best of my knowledge and belief, these Microsoft contracts with the US Government (direct and indirect) do not relate to the subject matter of this hearing.

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing. Include the amount and country of origin of each contract or payment.

Microsoft is a multi-national corporation that sells software products and services to many commercial and governmental entities worldwide, including education institutions. However, I have not entered any contract or received any payment, nor, to the best of my knowledge, has Microsoft entered any contract or received any payment, from any foreign government related to the hearing's subject matter.

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

- I have attached a written statement of proposed testimony.
- I have attached my curriculum vitae or biography.

* Rule XI, clause 2(g)(5), of the U.S. House of Representatives provides:

(5)(A) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof.

(B) In the case of a witness appearing in a non-governmental capacity, a written statement of proposed testimony shall include— (i) a curriculum vitae; (ii) a disclosure of any Federal grants or contracts, or contracts, grants, or payments originating with a foreign government, received during the past 36 months by the witness or by an entity represented by the witness and related to the subject matter of the hearing; and (iii) a disclosure of whether the witness is a fiduciary (including, but not limited to, a director, officer, advisor, or resident agent) of any organization or entity that has an interest in the subject matter of the hearing.

(C) The disclosure referred to in subdivision (B)(iii) shall include— (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(D) Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form 24 hours before the witness appears to the extent practicable, but not later than one day after the witness appears.
